

CONGRATULATIONS TO
HEADTEACHER ANDREW WILCOCK
on his selection as a National Leader of
Education

" I feel honoured to be selected as a National Leader of Education. The recognition of Bishop Ramsey as a National Support School reflects the hard work many colleagues at the school have already done in supporting other schools. It will give us the opportunity to continue this work on a wider stage. It will also, I am sure, bring benefits to our own students and to the students of the schools we support".
