

Careers Fair at Bishop Ramsey School

Wednesday 28th April 2010

The **Bishop Ramsey Careers Fair** is a regularly held event in which students and their families have the opportunity to find out about the **choices and pathways** that are open to them in education and employment. You have the opportunity to talk to **representatives from the business and academic world** about their organizations, their requirements of young people as well as career prospects. The **target student age groups** are those about to choose their GCSEs (**Year 9**), those doing their GCSEs (**Years 10 and 11**) and those on **post 16 courses**. This is an information session, one that gives you the chance to find out first hand about pathways beyond school.

Put this date in your diary and make sure that you are there!

If you want any further information, or work for a company / organisation that may want to take part in this event, then please contact:
