14th November 2013

Dear Parent/Carer

Student Tracking

I am writing to alert you to the availability of Academic Tutoring Day tracking data for students on Parent Portal. The reports will go live on Friday 15th November from 12:00 noon.

Teachers have given students Autumn grades for effort, behaviour and homework, at KS3 and KS4. This grading is 1-4, with 4 being the highest and 3 being working at the expected standard. Details of the criteria are on the individual reports. Teachers have given a predicted GCSE grade for students in Years 10 and 11. There is also a fine grade which represents whether the prediction is close to the one above (eg C1), secure (eg C2), or at risk of falling to the grade below (eg C3) and at Key Stage 3 they have given a sub-level which, to demonstrate good progress, should be at least 1 sub-level above what they received at the end of the previous year.

Some issues have occurred with the reports in Year 10 where a GCSE started to be taught in Year 9 and the target grade has been input and is still showing on the report despite the fact that the student is no longer studying the subject. We are working to resolve this issue but it unfortunately could not be rectified in this report.

This data is all held on the Parent Portal in either the Assessment or the Subject area. If there are multiple reports available there is a link above and to the right of the report on display which allows you to select another report. We would like you to print the report and bring it with you on your Academic Tutoring Day appointment on 28th November

If you are experiencing any difficulties with the Parent Portal please contact Mrs Sheppard on bsheppard.312@lgflmail.org or myself (Mr Poole). We look forward to seeing you on Academic Tutoring Day.

Yours faithfully

Mr D Poole
