Church of England School
Headteacher: Mr A J Wilcock MA (Cantab)

16th January 2014

Dear Parent/Carer

Technology Materials Year 9 – Resistant Materials

Your son/daughter will be studying Resistant Materials this term. The Department would like to ensure that all students take part in all practicals and enjoy taking home the products created in class. In order to do this we need parents to contribute towards some of the the costs of materials for the following topics (please note that this contribution will replace requests for students to bring in money on the day as practiced previously):

- **Resistant Materials: £2.00**

Please pay for this through ParentPay using your debit or credit card. You will find '**Y9 Resistant Materials**' listed under 'Services'. Please pay for this item in one payment by **31st January 2014**.

Should you have any concerns regarding ParentPay please contact Mrs Ruttley in the School Office on 01895 671050 or email parentpay@bishopramseyschool.org

Yours faithfully

Ms S Francis
Head of Technology
