

BISHOP

RAMSEY

Church of England School
Headteacher: Mr A J Wilcock MA (Cantab)

16th January 2014

Dear Parent/Carer

Year 10 Reports

Your child's report has now been completed and will be available from 12.00 noon tomorrow on the Parent Portal under 'Subjects' and then 'Pastoral' where the reports are held as documents. We have tried to make the process of downloading the report as straightforward as possible. There are two icons at the top left of the page; one has a printer icon which you need to click to print the report and the other a disc to save the report to your computer. There is a link to the right which allows you to choose between the available reports.

The report includes a comment by subject staff on the progress that your child has made as well as targets for improvement and grades for Effort, Behaviour and Homework.

We have decided to produce the reports at this time as your child has completed the first term of their GCSE courses and they have an opportunity now to make a difference to their performance. The separate tracking grades at the end of each term are the teacher prediction (what the teacher thinks your child will achieve based on their present work and effort) and the Aspirational Target Grade, the latter are based on statistical estimates from their performance at KS2. We should like to congratulate students who are doing as well or better than could be expected and ask for your support for staff where your child is not reaching their target grade (we have brought in colour-coding this year. Green represents at or above target, yellow - one grade below and red - two or more grades below target).

We hope that this report gives you a clear picture of your child's current progress, as well as an update on the information that you received on Academic Tutorial Day.

If you have any questions regarding the above or any other assessment issues please do not hesitate to contact one of us.

Yours faithfully

Mr D Poole
Assistant Headteacher

Mr G Owen
Year Director
