Dear Parent/Carer

Curriculum Enrichment Day – Tuesday 11th February 2014

Next Tuesday is our annual House Curriculum Day. The activities taking place are:

Rochester:	Animation/Podcasts/Writing/Story-boarding
St Albans:	Perfume/soap-making and marketing
Manchester:	Healthy living – physical, mental and social wellbeing, Parkour, First Aid, Judo.
Salisbury:	Technology – making and testing rockets and catapults.
Exeter:	Eco-environmental awareness, recycling.
York:	World Faiths – encountering faiths and beliefs, art of empathy and asking.

As usual, the main aim is to give students an experience that would not normally occur within our curriculum. As this Curriculum Day is organised in 'Houses', it also gives students the opportunity to work with other year groups and gives our Year 12 students an opportunity for student leadership.

The timing of the day is a normal school day and the students may wear their own clothes, appropriate to the activity they are involved in. I am sure it will be a very successful day, reflecting the hard work my colleagues have put in to the organization and running of the day.

You will be able to read all about the activities in the next edition of the Recorder.

Yours faithfully

Mrs C A Watson
