Headteacher: Mr A J Wilcock MA (Cantab)

13th February 2014

Dear Parent/Carer

### **Purchase of Books of Exam Practice Questions and Papers for AQA A2 Physics**

We are pleased to offer our Year 13 Physics students two books of examination questions which we have produced to help them prepare for their A2 examinations this coming summer. Experience has shown that students find these resources extremely valuable in consolidating their learning and in enhancing their examination technique as they work towards the examinations, and it is therefore imperative that all students purchase these resources.

The first book contains several hundred practice examination questions, prepared by AQA, with examiners' mark schemes attached. This book is broken down into sections by topic so that students can work through a good number of examination standard questions as they complete each topic in class. The second book contains every past Paper 4 ('Fields and Further Mechanics') and both parts of every past Paper 5 ('Nuclear and Thermal Physics' and 'Turning Points in Physics') set since the start of the current syllabus. Students should work through these papers under examination conditions as we complete the course, and then use the mark schemes, examiners' feedback and grade boundaries available at [www.aqa.org.uk](http://www.aqa.org.uk) to assess their performance.

The combined cost of these books is £15.00. We would be grateful if payment can be made by Friday 28th February at the latest. The books will then be issued to students in their Physics lessons by Friday 7th March.

Payment should be made through ParentPay using your credit or debit card. '**Year 13 Physics Exam Resources**' listed under 'Services'. Payment should be received by Friday 28th February 2014.

Should you have any concerns regarding ParentPay, please contact Mrs Ruttley in the School Office on 01895 671050 or email [parentpay@bishopramseyschool.org](mailto:parentpay@bishopramseyschool.org)

Yours faithfully

**Mr S Evans**  
**Head of Physics**
