Headteacher: Mr A J Wilcock MA (Cantab)

13th February 2014

Dear Parent/Carer

GCSE Statistics

I am pleased to inform you that your son/daughter will have the opportunity to take the GCSE Statistics Foundation Course in June of this year, which will give them the chance of earning an extra GCSE (Grade C) a year early.

The material is easily accessible and concludes with a 2 hour exam worth 75% of the course grade. The remainder of the grade will consist of coursework which will be completed during class time under strict exam conditions.

Students have to meet a few requirements in order to be entered for the exam in June.

- The coursework must be completed to a good standard.
- They should achieve a reasonable grade in their mock exam.
- Every piece of homework should be handed in to a good standard.

A failure to meet these requirements will result in students not being entered for the exam in June.

I hope your son/daughter understands what an excellent opportunity this is and works hard to meet all three requirements.

Please complete the slip below and return it via your son/ daughter to their Mathematics Teacher.

Yours faithfully

Mr S Foote
Head of Mathematics
