Dear Parent/Carer

Year 12 Reports

Your child's report has now been completed and will be available from 12.00 noon tomorrow on the Parent Portal under 'Subjects' and then 'Pastoral' where the reports are held as documents. We have tried to make the process of downloading the report as straightforward as possible. There are two icons at the top left of the page - one has a printer icon which you need to click to print the report and the other a disc to save the report to your computer. There is a link to the right which allows you to choose between the available reports. Subject reports for courses at Ruislip High will be posted home and will be available on Parent Portal as linked documents.

The report includes a comment by subject staff on the progress that your child has made, as well as targets for improvement and grades for Effort and Homework.

We have decided to produce the reports at this time as your child has completed the first term of their AS courses and they have an opportunity now to make a difference to their performance. The separate tracking grades at the end of each term are the teacher prediction (what the teacher thinks your child will achieve based on their present work and effort) and the Target Minimum Grade. The latter are based on statistical estimates from their performance at KS4. We should like to congratulate students who are doing as well or better than could be expected and ask for your support for staff where your child is not reaching their target grade. We have brought in colour-coding this year - green represents at or above target, yellow one grade below target and red two grades below targets).

We hope that this report gives you a clear picture of your child's current progress, as well as an update on the information that you received on Academic Tutorial Day.

If you have any questions regarding the above or any other assessment issues please do not hesitate to contact one of us.

Yours faithfully

Mr D Poole
