Dear Parent/Carer

Science Classes

I am writing to inform you about your son/daughter's Science class. As you know, Mrs Rahid taught the class for the first half of the term but despite support, it was felt that she should not continue.

Since half term we have interviewed and tried out a number of supply teachers. Two have been very positive but had made plans for the rest of the term and therefore could not commit to the end of the Summer Term. I am still in communication with a number of agencies and hope to find someone who will be acceptable to us and commit long term.

I apologise for the lack of continuity but am grateful to my colleagues in the Science Department who are ensuring good quality work is being set and completed. I will update you once the situation has been resolved.

Yours faithfully

Mrs C A Watson
