Church of England School  
Headteacher: Mr A J Wilcock MA (Cantab)

4th December 2014

Dear Parent/Carer

**Science Teaching Spring Term 2015**

We would like to update you with some information regarding the staffing in the Science Department, since we are now in a clear position to do so. Ms Zebedee, who was appointed to join the school in September 2014, has now resigned from her post as Teacher of Science due to health reasons.

During Ms Zebedee's absence the school has made every effort to employ suitably qualified Science supply teacher(s). We appreciate that this has been an unsettling term for the groups which have been affected by this.

In the last week of this term, we have two experienced full time members of the Faculty – Dr McGeady and Mrs Ross - returning from maternity leave. Mrs Watson, Deputy Head for Curriculum has looked carefully at the Science timetable to ensure that every group has stable staffing going forward into the Spring term.

We hope that this alleviates and addresses some of the concerns that have been raised by individual parents, particularly on Academic Tutoring Day.

Yours faithfully

**Mrs A Dhir**  
Head of Science

**Mrs C Watson**  
Deputy Head Curriculum
