5th February 2015

Dear Parent/Carer

Eco Curriculum Day – 17th March 2015

Following the success of the Eco Curriculum Day in February of last year we will be repeating the event again on 17th March this year for Salisbury. To enable the students to really be creative we need a bit of help from you with the raw materials! The response to last year's request for items was fantastic and this meant the students had a great day.

The Eco Day has a focus on **Re-use, Recycling and Conservation/Environment** and we complete a number of activities both indoors and outside during the day. There will be sessions where students are able to design and make clothing, props and set materials for the school production of "Grease" as well as making their own jewellery.

The items the students will create are made from items that you may want to get rid of/recycle. We are particularly looking for **old/broken jewellery** that can be taken apart and re-worked, **clothes** that could be embellished or adjusted/re-worked (particularly t-shirts/ sweatshirts) plus **beads, sequins, buttons, coloured ribbons and cottons**, etc, that are cluttering up your wardrobes/cupboards.

We will also be trying to create an "orchestra" using recycled materials so if you have any broken/unwanted instruments, guitar/violin strings, mouth pieces, reeds, drums or general materials that you think could be made into instruments then they will be gratefully received!

As part of our work outside we will be improving our wildlife habitat provision and brightening up some of the areas outside with some planting. To complete this we would welcome any donations of **garden canes, seeds, compost, old gardening magazines/calendars** and any unwanted/excess **plants and large planters/tubs**.

If you are able to help with any of these items we will gratefully receive them in the main school reception area (accessed via the Hume Way entrance) and if the bags/boxes could be labelled for my attention that would be fantastic or alternatively your son/daughter can bring them along to WF15.

Thank you in advance for your support and the many donated items I hope to receive.

Yours faithfully

Miss D Petford
