Dear Parent/Carer

Edexcel AS Geography – Sixth Form Resources

I hope that your son/daughter has enjoyed his/her summer break and is looking forward to the commencement of his/her Sixth Form studies.

I am writing to give you details of text books that your son/daughter will need to purchase and bring to school as part of their study of Edexcel AS Geography during this academic year. All are published by Phillip Allan and available to order via Amazon, Waterstones or other reputable book sellers.

Edexcel AS Geography Textbook by Sue Warn, Bob Hordern, Michael Witherick, Cameron Dunn, Simon Oakes, David Holmes (ISBN: 9780340949290)
Edexcel AS Geography Student Unit Guide, unit 1: Global Challenges by Sue Warn, Cameron Dunn (ISBN: 9780521597401) .
Edexcel AS Geography Student Unit Guide, unit 2: Geographical Investigations by David Holmes, Bob Hordern (ISBN: 9781444147643)

I would suggest, where possible, that used versions are more than adequate and there are currently a number available on Amazon.

In addition your son/daughter will need to provide his/her **own A4 ring binder, clearly labelled**, together with an **electronic device** for use during lessons.

I am very much looking forward to working with your son/daughter. Please do not hesitate to contact me if you have any queries in respect of this letter or throughout the year. I can be contacted by email nwood115.312@lgflmail.org or telephone 01895 639227 extension 559.

Yours faithfully

Miss N Wood
