Dear Parent/Carer

Homework Timetable Year 11

Please find attached a copy of the Year 11 recommended homework timetable for 2015-2016.

You will already be aware that each student has also been issued with a Planner/Link Book in which the set homework is recorded. I would be grateful if you would sign this at the end of each week. Please feel free to use the page provided for any comment or observation you may wish to make. Similarly, I hope that you will take note of any staff comments so that an effective link can be established between home and school and any potential difficulties can be identified quickly.

The homework set may involve a variety of activities including writing, drawing or research and it is expected that each subject should take approximately 40 minutes to complete. Some tasks may be shorter/longer than others and course work may be set over a number of lessons. Also, homework may not be set on every occasion, but the timetable gives an overview. A separate Controlled Assessment overview will sent out in due course. For students who find organisation of time and tasks difficult, keeping to the homework timetable when coursework is set can be very beneficial.

If there are any questions about homework or any other matters which might affect you son/daughter's education, please do not hesitate to contact their Form Tutor, or Mr Butler, the Year Director for Year 11.

Thank you in anticipation of your support in the progress of your child.

Yours faithfully

Mr A Lunn
 Senior Assistant Headteacher
