

Church of England School
 Headteacher: Mr A J Wilcock MA (Cantab)

17th September 2015

Dear Parent/Carer

Biology Laboratory Notebook and Text Book

Your son/daughter has chosen to study the A level Biology course at Bishop Ramsey School. We will be teaching the **NEW Edexcel A (Salters-Nuffield)** specification which will be taught from 2015 onwards.

As part of the A Level Biology course your son/daughter will be required to carry out practical experiments. These will form part of the final assessment of the course called the Practical Endorsement, which will be awarded by the exam board in addition to their A level grade on their results certificate.

The Biology course requires careful records to be kept of the experiments that students have completed in a standardised laboratory notebook, which can be purchased from the school at a cost of £6.50, so that practical work can be undertaken.

If students wish to purchase their own copy of the text book then they can do so through the school as a discounted price of £18.90.

To purchase the laboratory notebook on ParentPay, please select 'Biology Lab Book 2015-16'. To purchase the text book and the laboratory notebook in one package (for the combined cost of £25.40) please select 'Biology Lab and Text Book 2015-16'. Should you have any concerns regarding ParentPay, please contact Mrs Hagon in the School Office on 01895 671002

If you have any questions or concerns, please do not hesitate to contact Mr Murphy at school.

Yours faithfully

Mr A Murphy
 Head of Biology
