Dear Parent/Carer

Year 10 Reports

Your child's report has now been completed and is available on the Parent Portal under Subjects and then Pastoral where the report is held as a document. We have tried to make the process of downloading the report as straightforward as possible. There are two icons at the top left of the page, one has a printer icon which you need to click to print the report and the other a disc to save the report to your computer.

The report includes a comment by subject staff on the progress that your child has made as well as targets for improvement, their Predicted GCSE Grade and 'Attitude to Learning' that is colour coded:

3	Above expectation
2	As expected
1	Below expectation

We should like to congratulate students who are doing as well or better than could be expected and ask for your support where we believe that your child could do better.

We hope that this report gives you a clear picture of your child's current progress, as well as an update on the information that you received on Academic Tutorial Day, Parents' Evening and Tracking Data.

If you have any questions regarding the above or any other assessment issues please do not hesitate to contact one of us.

Yours faithfully

Mr. S Foote
Assistant Headteacher

Mr. S Forrest
Year Director
