Dear Parent/Carer

Year 8 Tracking Sheet

Your child's tracking sheet has now been completed and will be available from Friday 15th July on the Parent Portal under Subjects and then by clicking 'Subjects' the report should be visible. We have tried to make the process of downloading the tracking sheet as straightforward as possible. There are two icons at the top right of the page, one has a printer icon which you need to click to print the tracking sheet and the other a disc to save the tracking sheet to your computer.

The tracking sheet includes grades for Attitude to Learning (a key for which is at the bottom of the tracking sheet) and their current sub-level. In some cases the Ability to Meet Deadlines including Homework column is blank because, as with PE, no homework is set.

We should like to congratulate students who are doing as well or better than could be expected and ask for your support where we believe that your child could do better.

We hope that this tracking sheet gives you a clear picture of your child's current progress, as well as an update on the information that you received on Academic Tutorial Day and the last Tracking Sheet.

If you have any questions regarding the above or any other assessment issues please do not hesitate to contact one of us.

Yours faithfully

Mr. S Foote
 Assistant Headteacher

Mrs. A Maycock
