

BISHOP

RAMSEY

Church of England School
Headteacher: Mr A J Wilcock MA (Cantab)

28th September 2017

Dear Parent/Carer,

Year 7 Mathematics Sets

Your son/daughter will have been notified this week of their new Maths set – **Delta 1**.

For each half of the year (RAM and SEY) there are 4 ability groups: Delta 1, Delta 2, Theta and Pi, with Delta 1 being the highest ability set.

The setting is based on your son/daughter's KS2 Maths data and the CATs test score, which tests problem solving skills and other cognitive ability skills.

We are aware that there will be a few students for whom this setting criteria may not fit and for this reason the Year 7 Maths sets will be reviewed at the end of the autumn term. Any resetting will be informed by the results of the end of term test based on topics covered this term. The same process will take place at the end of the spring term.

Yours sincerely,

Mr R Crabbe
KS3 Maths Coordinator
