Dear Parent/Carer,

### Photography Materials Voluntary Contribution

Your son/daughter has opted to take A Level Photography and the Department would like to ensure that all students purchase the correct necessary materials for the course as it progresses during the year. The Art Department has provided students with sketchbooks, film, photographic paper and mounting materials. These are additional costs to the Department, specific to this course, and therefore we are asking you to make a voluntary contribution of £30 towards the cost of the materials.

Please make your contribution for this through ParentPay and select '**Photography Materials Voluntary Contribution – 2017/2018**' and return the completed slip below with your son/daughter.

If you have any concerns regarding ParentPay please contact Mrs Hagon in the School Office on 01895 671002 or email [parentpay@bishopramseyschool.org](mailto:parentpay@bishopramseyschool.org)

Thank you for your support.

Yours sincerely,

**Mr N Tulsidas**
