Dear Parent/ Carer,

Year 12 Tracking Sheet for Academic Tutoring Day

Your son/daughter's tracking sheet has now been completed and will be uploaded on Parent Portal on Friday 1st December. It can be found by logging into Parent Portal and clicking 'Subjects' on the top menu bar, the report should then be visible for you to click on. We have tried to make the process of downloading the tracking sheet as straightforward as possible. In order to print the tracking sheet please right click and choose print from the menu. We would ask that you would print the tracking sheet and bring it with you to your Academic Tutoring Day appointment.

The tracking sheet includes grades for Attitude to Learning (a key for which is at the bottom of the tracking sheet) and an A Level predicted grade. This is the grade we think that your son/daughter is most likely to achieve in their final A Level and uses the fine grade system (an example of which is included on the tracking sheet).

We should like to congratulate students who are doing as well or better than could be expected and ask for your support where we believe that your son/daughter could do better.

We hope that this tracking sheet gives you a clear picture of your son/daughter's current progress. The tracking data will be updated again in the Spring and Summer terms.

We have changed the colour coding of the predicted grades so that they are now coloured against their Target Minimum Grades as follows;

	above Target Minimum Grade
	Target Minimum Grade
	one grade below Target Minimum Grade
	more than one grade below

If you have any questions regarding the above or any other assessment issues, please do not hesitate to contact one of us (please note that the school will be closed on Friday 1st December).

Yours faithfully,
