Dear Parents/Carers,

**Duke of Edinburgh - Tent Training**

This letter is to inform you that I will be running a compulsory tent training session for your son/daughter on Wednesday 21st February in the Sports Hall. This session will run from 3.15pm to approximately 4.30pm.

Please remind your son/daughter to attend. The more practice students can get before the expedition, the more confident and prepared they will be. My aim is to have students as self sufficient as possible, thus further securing their safety whilst on the expedition. Ensuring they are adept in preparing their shelter is key to achieve this.

If there are any questions concerning the details above please feel free to contact me at:

Yours faithfully,

**Mr M Winn**
