Dear Parent/Carer,

### **GCSE Business PiXL Intervention**

In addition to the set intervention sessions that will be running for Year 11 Business Studies students, the Year 11 team has also asked departments to put into place additional targeted PiXL intervention.

This will require your son/daughter to complete tasks based on their own development areas from the mock exams. The students will then be assessed by their subject teacher to hopefully highlight progress. Your son/daughter has been made aware of this and has been provided with a **PiXL intervention sheet** which has clear instructions about their diagnosis, therapy and testing date.

Please be aware that this intervention is supportive rather than punitive and our intention is to aid your son/daughter to the best of our abilities.

If you have any further queries regarding this intervention, please do not hesitate to contact me at [tgoldstein1.312@lgflmail.org](mailto:tgoldstein1.312@lgflmail.org).

Yours faithfully,

**Mrs T Goldstein**
