Dear Parent/Carer,

Flu Vaccination – Years 7 to 11

This vaccination programme is in place to help protect your child against Flu. Flu can be an unpleasant illness and sometimes causes serious complications. Vaccinating your child will also help protect more vulnerable friends and family by preventing the spread of Flu.

Please complete the consent form in full which **your child will bring home today** (one form for each child) and return to the school office by Friday 5th November 2021 to ensure your child receives their vaccination.

Please be aware that if the form is not completed correctly, this may result in your child not receiving the vaccination on the day.

The vaccination is free and recommended for young children and will be given via a quick and simple spray up the nose.

If you have any queries, please contact a member of the Welfare team on 01895 671088

Yours sincerely,

Mrs A James
