Dear Parent/Carer,

Year 13 Chemistry

I am writing to inform you that a Chemistry Revision and Practice Book is now available to purchase to help students studying the whole of the A Level Chemistry Course.

Each chapter of the specification starts with a **knowledge organiser** with clear and concise summaries of content and how concepts are related. This is followed by **retrieval questions** to learn and quickly recall the information acquired in the knowledge organiser through short questions. Lastly are **practice questions** with lots of exam-style questions with answers.

Should students wish to purchase their own copy of this valuable resource, they can do so through the school **ParentPay** at a 50% discounted price of £10.50.

Item	Cost	Parent Pay Item
A Level Chemistry for OCR A Revise and Practice	£10.50	A Level Chemistry for OCR A Revision and Practice

If you have any questions or concerns, please do not hesitate to contact me, sngochi@bishopramsey.school
