Dear Parent/Carer,

Future Frontiers Coaching Programme

I am writing to remind you that I need your permission for your child to take part in the careers coaching support for a selected group of students, through Future Frontiers.

It offers students the chance to explore their future paths and options in terms of careers and study, working with an adult volunteer, external to the school and employed by a London business.

The dates for the coaching sessions at the offices of XLN in Westminster are:

- Thursday 10th March
- Thursday 31st March

Including travel time, these will take place from 11.25am – 4.00pm.

To limit the amount of time students are missing lessons, the two online sessions will take place on:

- Thursday 17th March
- Thursday 24th March

These will take place in school and students will need their devices to access the online platform.

Please complete the Form [\[here\]](#) to give your consent **by Friday 25th February** to let us know you are happy for your child to participate and for some information about them to be shared with Future Frontiers and the DFE. Further details can be found on the letter set on Thursday 10th February, detailing how data is used and what you are consenting to, as well as their participation in the programme.

If you have any questions, please do not hesitate to contact me, cwells@bishopramsey.school

Yours faithfully,

Miss C Wells
