Dear Parent/Carer,

**GCSE Advanced Information – Summer Examinations**

Please find attached a summary provided by each subject regarding the Advanced Information from the examination boards for this summer's exams.

Subject teachers will be referring to any changes within their lessons and have been adapting content and assessments accordingly.

It is important for students to note that in some cases, whilst content may have been adapted, students are still being advised to revise all content. The summary provided makes it clear where that is the case.

Should your son/daughter still have any questions regarding the content they should be revising, or how the changes will affect the style of question they could get on specific content, I would advise them to speak to their subject teacher in the first instance.

Yours sincerely,

**Mrs K Lovewell**  
**Assistant Headteacher**
