Dear Parent/Carer,

Barbican Filming of The Canterbury Choir

We are so looking forward to the performances next week and cannot believe what is happening from what started as a one-off/pilot workshop.

There will be a filmmaker from ITAC (one of EDEN's partners) making 3-4 mini documentaries during the performance at the Barbican on Tuesday 5th and Wednesday 6th April. Those of you who have a son/daughter who are in the music video have already signed a media release for EDEN and Warner, we will take this as your release for these EDEN documentaries. If you have not already signed a media release form you will receive a separate email.

For your information, below are some of the other EDEN performances in other cities:

[EDEN Engagement: Arnhem, Netherlands - YouTube](#)

[EDEN Engagement: Arnhem Concert Rehearsal & Performance - YouTube](#)

If you have any concerns regarding this, do please get in touch with me,

Yours sincerely,
