

BISHOP

RAMSEY

Church of England School
Executive Head and CEO: Dr Hilary Macaulay

31st March 2022

Dear Parent/Carer,

Target Mars Event – Brunel University

The Science Faculty is delighted to inform you that your son/daughter has been given a place at an event, 'Target Mars', at Brunel University on **Wednesday 27th April**.

'Target Mars' is a competitive event where schools represent countries in a race to colonise Mars through a number of STEM (Science, Technology, Engineering and Mathematics) based challenges.

We will be travelling to and from Brunel University by the school minibus. Your son/daughter must be at school no later than **8:30am** so that we can register the students and leave by 8:40 am. We will aim to return to school by 3:45pm, where students will be dismissed to make their own way home.

Students will be provided with mid-morning refreshments and lunch at the University.

On the day, students should wear suitable clothing for hands-on activities (school uniform is not necessary). Your son/daughter should bring with them any required medication, asthma inhalers, epipens, etc. Mobile phones and any other items of value can be brought but students do so at their own risk.

If you are happy for your child to participate in the event, please click on the link below by **Wednesday 20th April** to give your **consent**. We do have students on the waiting list so if your son/daughter is not able to attend, please could you let me know as soon as possible.
