RAMSEY

Church of England School
Executive Head and CEO: Dr Hilary Macaulay

27th May 2022

Dear Parent/Carer,

Year 10 Enrichment Day - Thursday 14th July 2022

On Thursday 14th July, Year 10 will be participating in their Enrichment Programme. We will build on the work undertaken in PSHE this year, preparing students for the increasingly competitive world of work.

Every student in Year 10 will apply for a potential job/course and will be interviewed by someone from the world of business for that position and receive constructive feedback on their performance. Students will also take part in a series of employability tasks, including an enterprise challenge. The entire day will be organised on a competitive basis and students will be judged on skills such as working in a team, presentation skills and creative thinking.

As many of you have a huge wealth of experience in the workplace, it would be great if you could use your skills to help out on 14th July. If you would be able to assist us with interviews or judging the enterprise activity, please complete the form via this [link](#) as soon as possible. In the past these activities have proven to be a very valuable learning experience for our Year 10 students and a lot of fun for everyone involved. In previous years we have had parents recommending their colleagues with appropriate skills to attend and support our students. Please feel free to forward this email onto them.

If you have any other questions regarding the Enrichment Day, please do not hesitate to get in contact with Mrs Chandarana in the Careers Office on 01895 671071 or email vchandarana@bishopramsey.school

Yours sincerely,

Mrs D Williams
Head of Careers, PHSE and Citizenship

Mrs V Chandarana
Work Experience & Careers Co-ordinator
