Dear Parent/Carer,

**Bring Your Own Device in Year 8**

I am writing to let you know that there is a further opportunity to order a laptop, using a payment plan to spread the cost, should you wish to do so, for students entering Year 8 who need a 'BYOD' to bring into school.

The device we are offering is a Lenovo Winbook 300e, an education specific, small, robust laptop with a touchscreen. The plan includes a three-year warranty, which means devices can be immediately replaced while they are being repaired.

Laptops can now be purchased by signing up with our partner Silverwing as part of the Microsoft Devices for Education Programme, on a specially designed portal. There is choice of paying £12 per month over 30 months, or £360 immediately as a one-off payment. We have been able to take advantage of a special price, which is why the cost is slightly lower than last year. This is the same device that every student in Year 7 will be using from September 2022 onwards as part of a managed service by the school to support delivery of the curriculum.

**Included in the cost:**

- Lenovo 300E Notebook Flip Design - Spec 4GB, 64GB, 11.6" Touchscreen, Windows 10 installed, compatible with Windows 11, 5MPg Camera
- 3 year warranty
- Accidental damage cover – Immediate replacement in school whilst laptop is repaired (1<sup>st</sup> damage claim is excess-free, after which there is a small excess for repair of damaged devices)
- Protective sleeve.

**Next Steps:**

- Please register on the platform to set up your order and payments at [BishopRamseyCofEschool.devices@DevicesforEducation.com](mailto:BishopRamseyCofEschool.devices@DevicesforEducation.com) where you will also find further information and T&Cs
- **Order and payment portal will open on Tuesday 28<sup>th</sup> June 2022**
- **Deadline for orders is Tuesday 12<sup>th</sup> July 2022** (for delivery to school in September)
- First payments will be taken at the end of July 2022.

Yours sincerely,

**Miss C Wells**
