Dear Parent/Carer,

Canterbury Choir

I am writing to you as your child was in the Canterbury Choir last year. This year we have many exciting opportunities planned for them. We will be setting up the Hillingdon C of E Schools Music Association in which we will form a massed Choir with the C of E primary schools in Hillingdon. This project will involve several workshops throughout the year as well as joint performance opportunities. We have already been asked to lead the workshop at the returning annual LDBS service at St Paul's Cathedral in January.

There has been a slight change to rehearsals this year, in order to give us more time to learn more complex repertoire and develop as a Choir. Rehearsals will continue on Monday and Thursday but will start at 8:15am. As always, we will work with the students to ensure they can still attend any key Form Time activities and Assemblies, but we will encourage students to be organised and notify us in advance. In addition, we are aware of the increased pressures for students in Years 11 and 13, so will be working with them to allow them to take the opportunities and also manage their workload at crucial times.

Please could you fill in the form below to indicate your child's participation.
