Curriculum Plans

Your son/daughter will currently be studying three or four A Level subjects. Students studying four subjects will be encouraged to drop one of their subjects this term so they can focus on their remaining three. Students often wait until their first set of assessment results before making a decision on which subject to drop.

All Year 12 students will complete one hour a week of community work placement. This involves students completing one hour of volunteer work either inside or outside of school. This could involve helping in lessons for a younger Year group, assisting with an extra-curricular club or helping with an external club such as The Scouts.

Address: Hume Way, Ruislip, Middlesex, HA4 8EE ∞ **Telephone:** 01895 639227
Email: office@bishopramsey.school ∞ **Website:** www.bishopramseyschool.org

The community work placement will be introduced to students in the week beginning 19th September. It is students responsibility to find a placement but staff will be happy to help if a student is finding this difficult.
