Dear Parent/Carer,

Outcome of Moderation Review - iMedia

I wrote to you recently to inform you that I had requested a review of moderation of two units of the iMedia course. The exam board have conducted the review and I regret to inform you that they have upheld the reduction in marks made by the original moderator.

I share your disappointment in this result as I still feel that the final marks allocated to students by the exam board do not reflect the effort or attainment of so many of the cohort. My Department and I will continue to review the comments made by the moderator and will be requesting time with the exam board for clarity in how to apply their feedback appropriately.

I wish your child every success with their further studies.

Yours sincerely,

Mr N Mayne
Head of ICT
