

Church of England School
Executive Head and CEO: Dr Hilary Macaulay

6th October 2022

Dear Parent/Carer,

Year 9 Bedrock Learning

We have invested in an online Literacy improvement tool called Bedrock Learning, which teaches students the language they need to succeed at school.

As your child progresses through the curriculum, they will study hundreds of words, whilst reading fiction and non-fiction texts regularly. Bedrock Learning is designed to introduce them to a range of vocabulary that is more commonly used in written texts than in spoken communication.

Students should complete two sessions on Bedrock each week: one in their English lesson and one as a weekly independent learning task at home. The programme adapts to the ability of the students and personalises the content they are given accordingly.

As their parent/carer, you can see their knowledge organiser, and you will receive weekly progress reports on your child's progress via email when you create your Bedrock account. Your child will be given their access code in English and should have written this in their link book.

To create your Bedrock Parent/Carer Account:

Step 1: Visit app.bedrocklearning.org

Step 2: Click on the 'Guardian/Teacher' tab

Step 3: Complete the parent sign-up sheet and enter your access code

Step 4: Check your email for your password, and then log in. Be sure to check your junk folder if no email arrives.

You will find a helpful parent guide and further information about Bedrock Learning via this link: <https://bit.ly/2TrdZ4h>

If you have any questions or need further support, please do hesitate to contact me, ecannon@bishopramsey.school

Yours sincerely,

Mrs E Cannon
Head of English Faculty
