10<sup>th</sup> October 2022

Dear Parent/Carer,

**Year 7 English, Maths, Science and Modern Foreign Languages Evening  
Tuesday 18<sup>th</sup> October 6.15pm – 8.30pm**

Many parents have questions about how they can help and support their son/daughter in their schoolwork. The nature of teaching and the ways that students are encouraged to learn are always changing. In particular, the recent work on Numeracy in primary schools has led to students using different methods for many of the basic skills including division and multiplication.

In order to raise awareness of some of these changes and to enable parents to support their child's progress and development, we would like to invite parents/carers to an evening of English, Maths, Science and Modern Foreign Languages. **Please note that this is an evening for parents/carers only.**

The evening will give you the opportunity to attend a 30 minute 'lesson' in each of the four subjects.

**English**

- An overview of Year 7 English
- Using more advanced vocabulary
- Analytical writing and structuring a response
- How to encourage your child to read at home

**Mathematics**

- Mathematics, "they didn't do it like this in my day!"
- A brief journey through Year 7 Mathematics

**Science**

- There is a budding scientist in all of us!
- An overview of Year 7 Science

**Modern Foreign Languages**

- Why bother with learning a language?
- How can I help my child?
- An overview of Year 7 French and Spanish

We would like to remind you that our main entrance should be used when accessing the school, which is via Hume Way (via Highgrove Leisure Centre). Disabled access only is allowed via the Warrender Way entrance. Please note, parking within the school grounds is very limited, although pay and display parking is available at the Leisure Centre.

**Please indicate your attendance by completing the form via the following link <https://forms.office.com/r/gPUcKNtK4d> by this Friday 14th October 2022.**
