Executive Head and CEO: Dr Hilary Macaulay

13<sup>th</sup> October 2022

Dear Parent/Carer,

### **Maths – Staffing Change**

I am writing to you to explain the staffing changes in Maths that affect your child.

In September, we were left in a situation where a member of our team resigned with little notice, leaving us short of a Maths teacher. Since then, we have been working hard to recruit which, at this time of the academic year, is extremely difficult.

I am pleased to say that we have now appointed a full-time, fully qualified Maths teacher. Now that all the administrative paperwork is complete, we can confirm a start date straight after the October half term.

Please be assured, student progress is our number one priority and as a department, we are fully committed to ensuring that your child is provided with the sufficient amount of work and resources for each of their Maths lessons. In addition to this, we continue to run a 'Maths Clinic' each Monday from 3.00pm until 3.30pm where students are invited to attend if they need additional support with topics or would simply like a quiet space to work. We encourage students to make the most out of these extra opportunities, as the focus of all sessions up until their exams is revision.

If you have any further queries, please do not hesitate to contact me,

Thank you in advance for your understanding and support.

Yours sincerely,

**Mrs A Kochhar**  
**Head of Maths & ICT Faculty**
