

BISHOP

RAMSEY

Church of England School
Executive Head and CEO: Dr Hilary Macaulay

17th November 2022

Dear Parent/Carer,

Online Reading Platform

At Bishop Ramsey, we are committed to enabling students' access to a wide range of texts to explore, read and enjoy, so they can develop their vocabulary, comprehension and understanding of the world. I am writing to you to draw your attention to an excellent digital resource, which is currently available to all students in the school.

Our school E-Reading Platform is a digital library of popular texts, available to borrow in the same way students would borrow a physical book from the school library. Students can access it on any device, via the web browser, or through the app, which is available from the usual app stores.

Not only does it give your child access to thousands of titles, it also has some unique features which can support them in their reading, especially if they are usually reluctant to read or find reading difficult. These include:

- Night reading mode
- Ability to change the font and size as well as line spacing and brightness
- Immersive reader option

To ensure your child can access this fantastic E-Library, Form Tutors are demonstrating how to use it this week in their registration sessions. Please encourage your child to use it by getting them to show you what is available and how they can browse and use the site at home. For your information, with this letter there is also a 'top tips' information sheet, with advice on supporting reading at home more generally.

If your child needs any further help with using the E-Reading Platform, please encourage them to ask their Form Tutor or English teacher about it.

Yours sincerely,

Miss C Wells
Assistant Headteacher
