Dear Parent/Carer,

Year 9 Duke of Edinburgh Bronze 2022-23 – Waiting List

Due to the Bronze Duke of Edinburgh Award being oversubscribed, some students have not been successful in gaining a place for the award. Following the application process your child has been unsuccessful in getting a place on the Bronze Duke of Edinburgh Award. The applicants all produced excellent applications and the selection process was incredibly difficult.

Your child will be placed onto the waiting list. If a place becomes available, you will be contacted with an offer for participation.

If your child still wishes to complete the DofE Award, they can always do so with another provider. I suggest they contact their local youth group, such as Ruislip Young People's Centre.

Yours sincerely,

Mr M Winn
Duke of Edinburgh Co-Ordinator
