Dear Parent/Carer,

Year 10 Autumn Reports

Your child's Report is available to view by logging into the Arbor Parent Portal <https://bishop-ramsey-cofe.uk.arbor.sc>. Under quick actions please select report card, you will then be able to select the report card and download to either view, save or print.

Your child will also be able to see their report by logging into their Arbor account under my items - my reports.

The report includes Attitude to Learning with a scale from 0-4 with 0 suggesting there are causes for concern and 4 for outstanding attitudes. Fine Predictions are also provided, which are colour coded against the individual student's year target. See below for further details. Most grades are in the new format 9 to 1 with (9 being the highest grade). A table giving the equivalence of these new grades to the old GCSE grading system can be found at the bottom of the Tracking sheet along with an explanation of the fine grading system and a key to the new Attitude to Learning scale.

Predicted Grades are colour coded against their Year Target such that;

Above Year Target
At Year Target
Below Year Target
Significantly below Year Target

We should like to congratulate students who are doing as well or better than could be expected and ask for your support where we believe that your child could do better.

We hope that this report gives you a clear picture of your child's current progress. Your child's tracking data will be updated again in the Spring and Summer terms.

If you have any questions regarding the above or any other assessment issues please do not hesitate to contact one of us.

Yours faithfully,

Mrs K Lovewell
Assistant Headteacher
