Dear Parent/Carer,

Additional Support

I am writing to all the families in receipt of Free School Meals to let you know of some further support that is available, should you need it.

Firstly, Hillingdon are running (HAF) holiday programmes, not just this holiday, but during all school holidays throughout the year, specifically for students aged 11-16, in receipt of Free School Meals. They include a wide range of activities and provide lunch for the students who attend. Please follow the link for details on the range of different activities available for different age groups and interests. [December HAF programme - Hillingdon Council](#)

Secondly, I have received an email from the local Charity Shop, 'Found' on Shaftesbury Circle, Harrow. They are offering a voucher scheme, whereby referral agencies, such as the school, can give £20 vouchers to families who need them, up to three times a year, to enable them to select items from the store. If you would like me to request a voucher on your behalf, please do email me and I will do so.

Finally, snacks continue to be available in the AIC (Access and Inclusion Centre) before school, if students wish to collect them for breakfast or break. Can I also ask that if your child is in Year 12 or 13 and in need of a laptop, that you let me know; we do have devices they can have.

Yours sincerely,

Miss C Wells
