

BISHOP

RAMSEY

Church of England School
Executive Head and CEO: Dr Hilary Macaulay

12th January 2023

Dear Parent/Carer,

Year 13 Biology Revision Pack

The Biology Department are pleased to offer your child the opportunity to purchase a Year 13 Biology Past Paper Revision Pack. These packs will be extremely useful in your child's preparation for their summer exams. The cost of the revision pack is £3.21.

The pack contains 9 papers in total, 3 for each of the exams that the students sit in the summer. To reduce the cost, we have not printed the mark schemes or scientific articles for the papers, these will be made available electronically on TEAMS. The students are encouraged to utilise these past papers at the earliest opportunity and not save them until the end of the course. This will allow any issues that arise to be dealt with immediately.

The Revision Packs will be available to purchase via ParentPay under the heading of '**Year 13 Biology Revision Pack**'. If you have any concerns regarding ParentPay, please contact Mrs Hagon at parentpay@bishopramsey.school

Yours sincerely,

Mr A Murphy
Head of Biology
