Dear Parent/Carer,

Year 9 Teenage Boosters

The Year 9 Teenage Boosters are due to take place on **Monday 30th January 2023**.

The school health service are now using an electronic method of consent for vaccinations given in schools. This method of communication is faster, more efficient and a safer way to deliver your child's health information.

A secure online link has been developed for you as parents/carers to register and complete your child's consent form for the vaccination above. The process is quick and easy to use.

Step 1

Please either register for an account or log in if you have already created an account. If this is your first time registering, you will receive an email to confirm your account and set a password.

Step 2

Once you log in you can read the information on the vaccination and indicate your consent. **Please click on the link to access the eConsent.** Once you have completed your form, please ensure you click on the **submit** button to complete the process.
