

BISHOP

RAMSEY

Church of England School
Executive Head and CEO: Dr Hilary Macaulay

19th January 2023

Dear Parent/Carer,

Year 12 Biology Past Paper Revision Pack

The Biology Department are pleased to offer your child the opportunity to purchase a Year 12 Biology past paper revision pack. These packs will be extremely useful in your child's preparation for the February Pre-Public Exams (mocks). The cost of the revision pack is £1.80

The pack contains 4 papers in total, to reduce the cost, we have not printed the mark schemes for the papers, these will be made available electronically on TEAMS. The students are encouraged to utilise these past papers at their earliest opportunity. This will allow any issues that arise to be dealt with immediately.

The revision packs will be available to purchase on ParentPay. If you have any concerns regarding ParentPay, please contact Mrs Hagon at parentpay@bishopramsey.school

Yours sincerely,

Mr A Murphy
Head of Biology
