Dear Parent/Carer,

Curriculum Day (3rd March) - Cancelled

As mentioned in the September briefings and the Key Dates on the website, there was due to be 'Curriculum Day' enrichment activities for all students on Friday 3rd March.

Unfortunately, we have had to make the decision to cancel these trips and activities this year. This is the result of both some logistical difficulties with planning these days, as well as concerns about further disruption of learning due to the industrial action in education.

Those parents/carers of students in Year 13 who have already paid for their child's trip/activity will be refunded via ParentPay shortly.

Yours sincerely,

Mr M Britton
Deputy Headteacher
