Dear Parent/Carer,

Summer Term – Year 12

I hope that all the students have enjoyed their second term as part of Bishop Ramsey's Sixth Form. I continue to be impressed with the progress that the Year Group are making. It has been a positive term and I hope that they have received the support they need academically and pastorally. If this is not the case, please do get in contact and we will do all we can to help.

Next term promises to carry on at high intensity as the students will continue to progress with their academic studies in their chosen subjects as the students prepare for their end of **Year 12 Pre-Public Examinations**. It is these examinations that will form the basis of the predicted grades that teachers will make for students' university applications. It is therefore very important that students prepare fully for these exams so that they are able to demonstrate their full potential to their teachers.

Absences – Change of communication

Can I remind you that we are now using a dedicated address for Sixth Form absences. Please email sixthformabsence@bishopramsey.school when informing us of any reason for your child being absent from school or for any request of absence. If your child is absent for illness, please do email the school as we cannot authorise this without parental confirmation of their illness. Students cannot authorise their own absences.

Students will be continuing with their A Level studies throughout this term both in lessons and through their independent study. Information about the topics studied during the Spring Term within each subject can be found on our website here [Bishop Ramsey CE School - Curriculum \(bishopramseyschool.org\)](http://Bishop Ramsey CE School - Curriculum (bishopramseyschool.org)). Please click on the link 'Termly Plans' to view the topics for each subject. For more detailed programmes of study, please click each subject heading on the menu bar.
