Church of England School  
Executive Head and CEO: Dr Hilary Macaulay

30<sup>th</sup> March 2023

Dear Parent/Carer,

### **Summer Term Year 10**

I continue to be pleased with high number of positive points that Year 10 are achieving, for their work inside and outside the classroom. It is fantastic to hear of the many positive contributions that Year 10 are making to the wider life of Bishop Ramsey, including as; members of the eco-club, performers in the school production and entrants to BR's Got Talent, as West London Winners in the Maths Feast competition and as players in the Under 16 Middlesex Cup winning girls' team.

The recent data shows that a significant number of students have made excellent progress in the past term and are on track to achieve great grades at the end of Year 11. For those students not making expected progress can I remind you they have access to online resources, for example, on the MS TEAMS, Oak National Academy videos (online lessons) and the additional online resources supplied by different subject areas.

Following my last communication there has been an improvement in punctuality to school, I appreciate your support in this matter. I would strongly recommend that you advise your child to get the first 696 bus in the morning, in order that they arrive to the bus stop at Highgrove Leisure Centre with ample time to walk to the school site and attend the muster point.

Please can I remind you that mobile phones cannot be used by students during the school day. If you need to contact you child, please call the school reception and information will be passed on to your child. Where students are seen with their mobile phone out in school, as per school policy, this will be confiscated for 24 hours.

Year 10 will participate in Enrichment Days in July. On Thursday 13<sup>th</sup> July the students will participate in a careers-based activity. On Friday 14<sup>th</sup> July, all students will be going to Thorpe Park. I really hope all students will participate fully in these days; further details will be sent nearer the time.

During this term, I have completed monitoring and tracking meetings with the students. I have been delighted to see the excellent work being produced in their books, and to have conversations with the students about their experiences at Bishop Ramsey and their aspirations for the future.
