Dear Parent/ Carer,

**Year 9 – Summer Term**

As another term ends, I am writing to inform you of key information for upcoming events and to celebrate the achievements of the past term.

The excellent work ethic of the Year Group continues to be an inspiration. It has been fantastic to be able to commend so many young people on their academic achievement. For those students requiring additional support, I will be arranging their 1:1 meeting after the Easter break. It was great to see so many students showing off their extracurricular prowess in the school production of Little Shop of Horrors and Year 9 Netballers also making some fantastic achievements in the Hillingdon Schools Netball League. Another exciting opportunity for our students is the ski trip to Canada, taking place in the Easter break, I hope they all take home some wonderful memories.

As the selection of KS4 curriculum routes is under way, it is important that we encourage and support our young people into a shift towards a “more GCSE” mentality; nurturing an independent learning stance. Teachers will all be providing a wealth of online material and resources to support this; lesson PowerPoints and Blended Learning Plans available on MS TEAMS, SENECA learning, Kerboodle, Mymaths, Cognito.edu, and OAK National. The curriculum plans for this term are attached, giving an outline of the topics to be covered in each subject for the Summer Term.

Finally, I wish you and your family a happy and restful Easter Holiday.

Yours sincerely,

**Mr M Winn**
