Executive Head and CEO: Dr Hilary Macaulay

18th May 2023

Dear Parent/Carer,

Year 12 Maths STEM Conference – Wednesday 24th May

There is a Maths Conference at Greenwich University which is an opportunity for support with more competitive University applications in the STEM field. It will take place on Wednesday 24th May from 10.00am to 3.30pm.

Your child has expressed an interest and has been offered a place. Places were very over subscribed so the 2 students chosen are very lucky to have been selected.

More details will be sent directly to your child, but the event is being held at the University of Greenwich SE10 9LS. The best route is by train, either Metropolitan then Jubilee followed by bus. Alternatively, the Central Line, then DLR and a short walk. Google maps can help with the best route from home.

With your permission the 2 students attending will travel together unaccompanied. I have spoke to both students and they did not express any concerns with this.

Please complete the following [LINK](#) by **Monday 22nd May** to give consent for your child to attend.

Students should bring with them any required medication; asthma inhalers, epipens, etc. Mobile phones and any other items of value can be taken but students do so at their own risk. Students will also need to have their **Oyster card** with sufficient funds to facilitate the journey.

If you have any questions please don't hesitate to contact me,
holmes@bishopramsey.school

Yours sincerely,

Mrs L Holmes
KS5 Co-ordinator and Second in Maths Faculty
